

# NORTHERN TANZANIA (LODGE/CAMPING SAFARIS) SOUTHERN TANZANIA

## PLEASE NOTE THAT:

1. All rates are per person sharing a double/twin room. Single room Supplement (SRS) has been shown separately.
2. Before selling/booking any tour from this manual, please read carefully all the details i.e. inclusions, exclusions, Holiday surcharges, closure dates, validity, booking terms & conditions etc. shown in this manual.
3. Some bookings might straddle between two seasons making the following seasonal quotations on accommodation NOT APPLICABLE. In such cases, please contact us for TAILOR-MADE QUOTATIONS cutting across seasons.
4. These rates include the tourism development levy of 1% of room rate per day/night as well as TANAPA & NCAA flat rate Concession fees.
5. Rates include VAT on Ground Transport, Park Entry/Camping Fees/Concession & Crater Services Fees only.
6. **MOBILE CAMPING:** The concept of mobile camping is very attractive to the adventurer as it reminds one of the early explorers and hunters in the "Dark Continent" – Africa. The guest is presented with a product that is much closer to nature and therefore more thrilling.
- 7.
8. **Budget Mobile Camping:** Budget camping is the ideal way for those who like to "rough it" as we provide a two-man tent for accommodation whereby mattresses are laid on the sewn-in ground sheet. Blankets, bed sheets and pillows are provided. Sleeping bags are available for hire although most guests prefer bringing their own. The tents are spacious enough for two people and have a mesh on each window to keep off insects.
- 9.
10. The guests' safari vehicle, a 4-wheel drive (4x4), manned by a driver-guide experienced in camping and accompanied by your cook, tows a custom-built trailer carrying camping equipment and provisions. All preparations for setting up the camp are made on arrival at the campsite. Guests may help pitch the tents as part of the adventure experience, but the cooking and cleaning is all left to the crew - cook and driver-guide. The cook prepares three meals a day - breakfast, lunch and dinner served on a foldable dining table with chairs. The public campsites provide basic washroom facilities of reasonable hygienic standard for the guests.
- 11.
12. **Standard Mobile Camping:** One of the most important features of our Standard Camping product is staying in a private and exclusive campsite. The camping crew, together with equipment and provisions, travels separately in a support vehicle ahead of the guests, so that when you arrive at the campsite everything is prepared and waiting – tents up, meals cooking, and hot water ready for a shower.
- 13.
14. Accommodation is provided in spacious walk-in tents with twin beds made of fine tropical wood, mattresses, blankets, bed sheets & pillows, and two foldable bedside tables. Wash room facilities are set on the far end, inside the guest tent, and include a hot-water- bucket shower and a chemical toilet. Each accommodation tent has a hand washbasin, and a verandah with two safari chairs and a safari table.
- 15.
16. The mess tent is spacious and well ventilated, with dining tables and chairs, cutlery, crockery and table cloth. The camp serves three freshly cooked meals a day - breakfast, lunch and dinner.
- 17.
18. **Lake Manyara National Park:** Nestling at the base of the Great Rift Valley escarpment, less than 130 kilometres from Arusha town, is Lake Manyara National Park, one of the oldest and most popular sanctuaries in East Africa. It is home to a myriad of bird life and the famous tree-climbing lions. The park offers an impressive diversity of habitats for animals and birds: from the slopes of the rift escarpment and ground water forest to the acacia woodlands, open grassland, and the soda lake itself which occupies 77% of the National Park total area of 330 sq m. Common animals include baboons, giraffe, impala, wildebeest, buffalo, zebra, elephant, hippos, with over 400 species of birds including water birds and the colourful migratory flamingoes.
- 19.
20. **Mikumi National Park:** Mikumi National Park (3,230 sq m) is about three to four hours drive from Dar es Salaam, lying astride the highway to Zambia, en route to Ruaha and Udzungwa Mountains National Parks in southern Tanzania. The park is dominated by floodplains and grasslands and rich in wildlife including buffalo, giraffe, wildebeest, zebra, hippos, baboons, impala, lions, leopard, warthog, eland, and the rare wild dogs. More than 400 bird species have been recorded, including a host

of European migrants during the rainy season.

21.

22. **The Ngorongoro Conservation Area:** A UNESCO protected World Heritage Site and an International Biosphere Reserve, the Ngorongoro Conservation Area covering an area of 8292 sq km consists of the Ngorongoro Crater itself, Empakai Crater, Oldupai Gorge, and Ndutu including the short grass plains of the south eastern Serengeti ecosystem. The Ngorongoro Conservation Area is an pioneering experiment where people (the Maasai), their livestock and wildlife co-exist and share the same protected habitat.

23.

24. The stunning spectacle of the Ngorongoro Crater, with its steep walls falling some 610 metres to the floor, is undoubtedly one of the highlights of a safari tour in Tanzania. "It is impossible to give a fair description of the size and beauty of the Crater for there is nothing with which one can compare it. It is one of the Wonders of the World..." once wrote Professor Bernhard Grzimek. The crater floor is home to thousands of plain animals, including the rare black rhino, zebra, wildebeest, gazelles, hippos, eland, elephants, and a large predator population of lions, hyena, and jackal.

25.

26. **Ruaha National Park:** Ruaha National Park takes its name from the Ruaha River, which flows along its southeastern border. The river provides permanent water in the park, and during the dry season there is a large concentration of wildlife along its banks. Covering an area of 20,226 square kilometres, Ruaha is the largest National Park in Tanzania. The park is rich in flora and fauna with a great variety of wildlife including the rare the Kudu (both Greater and Lesser Kudu), Roan & Sable Antelopes and some endangered species like wild dogs. Ruaha is famous for its large herds of elephants said to have the highest concentration in East Africa. Other animals in the park include buffaloes, lions, leopards, cheetah, giraffes, zebras, elands, impala, bat eared foxes, Jackals, and the hippos and crocodiles which inhabit the river. The park is rich in bird life with more than 571 species including migrants from within Africa, Europe, Asia, Australian rim and Madagascar.

**Nyerere National Park (formerly Selous Game reserve):** Nyerere National Park is the northeastern part of the huge Selous Game Reserve set aside for photographic safaris, which was upgraded to the national park status in November 2019. The park was named after the first president of Tanzania, Mr Julius Nyerere (late), in recognition for championing conservation and protection of wildlife in the country. Nyerere National Park, is one of the most beautiful and game-rich areas in the ecosystem of Selous Game Reserve, spanning the Rufiji River basin in southeastern Tanzania.

With an area of about 30,893 sq km, Nyerere National Park is the largest national park in Africa. It is perhaps one of the most pristine wildernesses still remaining in Africa, with a wide variety of wildlife habitats, including open grasslands, Miombo woodlands, swamps and riverine forests in the many tributaries of the mighty Rufiji River which flows through the National Park to the Indian Ocean. Its wildlife is spectacular, with some of the largest population of mammals and reptiles in Africa, including buffaloes, elephants, hippos and crocodiles which can be seen here. Nyerere National Park, together with the remaining part of Selous Game Reserve, is considered to be the last stronghold of the African wild dog. Other common wildlife include the wildebeest, zebra, giraffe, eland, the greater kudu, sable antelopes, black rhino, waterbuck, impala, lion, leopard, the spotted hyena, cheetah, baboon, vervet and blue monkey, and the black and white colobus monkey which can be viewed in riverine forests. About 440 species of birds both resident and migratory have been observed in the national park.

The park offers a wide variety of game viewing opportunities including the thrilling experience of a walking safari in the company of an armed ranger. The many waterways in the park provide an excellent natural setting for boat safaris, both for big game viewing and bird watching. This is in addition to the game drives in specially designed safari vehicles which, combined with boat and walking safaris, offer an exciting and rich game viewing itinerary unique to Nyerere National Park. The best time to visit is from June to October. During the long rains, between March and May, some parts of the park are temporarily closed for game drives due to poor accessibility.

**Serengeti National Park:** A World Heritage Site and Biosphere Reserve, Serengeti National Park is undoubtedly one of the best known wildlife sanctuaries in the world, famed for its annual wildebeest migration. A aptly referred to as "endless plains" by the Maasai, Serengeti provides sanctuary to the highest concentration of plains animals in the world. Within its area of 14,763 sq km are more than 4 million large mammals living in total wilderness freedom. About 35 species of plains animals can be observed including elephants, buffaloes, topi, wildebeest, gazelles, zebras, lions, leopards, cheetahs and over 400 species of birds can be observed in the Serengeti National Park

The main game drive areas in the Serengeti are the Seronera Valley, the Western Corridor, Lobo or northern Serengeti, and the south eastern Serengeti plains extending to Ndutu in the Ngorongoro Conservation Area. The Seronera valley in central Serengeti, endowed with permanent surface water, attract a large concentration of wildlife throughout the year. From December to April, south eastern Serengeti plains provide the best opportunities for game viewing as hundreds of thousands of the migratory animals including wildebeest and zebras are concentrated in this part attracted by the short palatable grass. Between May and July, when drought sets in, Serengeti is the site of one of the most breathtaking events in the animal kingdom - the migration of thousands of wildebeest heading southwest, north or west in search of water and greener pastures in and around the National Park. According to the Serengeti National Park official guide "Lines and columns of wildebeest up to 40 km long have been observed (from the air) heading southwest, north or west as the wildebeest trek to the woodland zone". The Lobo area in northern Serengeti remains rich in wildlife during the dry months of August to November when most of the game has moved from the grass plains in the south. This is also true of the Western Corridor towards Lake Victoria when the migration usually lingers in the area between June and July.

A large part of the migratory animals move into Maasai Mara in Kenya by September, staying there hardly three months before streaming back into northern Tanzania and the Serengeti plains in November. The Serengeti Migration has been named one of the Seven Natural Wonders of Africa.

**Tarangire National Park:** Tarangire National Park lies 120 km south of Arusha, and offers a wide variety of wildlife in its area of 2,850 sq. km. The Tarangire River, after which the park is named, provides the only permanent water for wildlife in the area. When the Maasai Steppes around the park dry up with the end of the long rains in June, migratory animals return to the Tarangire River, making Tarangire National Park second only to Ngorongoro in the concentration of wildlife. This period stretches between June and October and it is the best season for game viewing in Tarangire. The most common animals found in the park include zebras, wildebeest, lions, leopards, waterbucks, giraffe, elephants, gazelles, impala, gerenuk, lesser kudu and the beautiful Fringe-eared Oryx. You may be lucky to spot the tree-climbing python, for which the park is famous, or the Greater Kudu and the Roan Antelope which are rare species in Northern Tanzania. Over 550 bird species have been recorded in the Park

## SUGGESTED ITINERARIES 2023

### 1. **Day Excursions. (Northern Parks of Tanzania)**

**TTN 1**

#### **Day trip - Arusha National Park**

0800h Pick up from Arusha town and drive to Arusha National Park with lunch box.

The park (137km<sup>2</sup>), has terrain ranging from open savannah through acacia scrublands to Afro-montane cloud and rain forest and Afro-alpine vegetation similar to Mount Kilimanjaro. There are several alkaline lakes and the spectacular Ngurdoto Crater. Mammal species include elephant, buffalo, various primates, giraffe and leopard. Hiking is allowed if accompanied by an armed guard and the climb up Mount Meru is superb, often giving the best views available of Mount Kilimanjaro. At 4,556m, Mount Meru is the fifth highest mountain in Africa and is located in the Arusha National Park.

The tour ends in Arusha town at around 1700hrs.

TTN 1 Price per person in USD	1Pax	2Pax	3Pax	4Pax	5Pax	6Pax	SRS
Validity: 01 Jan – 31 Dec, 2024	412	263	214	189	174	164	N/A

**TTN 2**

#### **Day trip - Tarangire National Park or Lake Manyara National Park**

##### **Lake Manyara National Park**

0800hrs Pick up from Arusha town and drive to Lake Manyara.

This is one of the most diverse of Tanzania's national parks, a tiny (325km<sup>2</sup>) combination of Rift valley lake, dense woodlands and steep mountainside. Manyara is a birding paradise (more than 380 species), especially for waterfowl and migrants and the forests are one of the best places around to see leopards. Lions hunt on the grassy shores of the lake and were once known for their habit of climbing trees, although this behavior seems to have been dropped in recent years. The park can easily be seen in a day. Most visitors will tailor a visit to Manyara to fit in with a trip to one of the Big Three parks (Serengeti, Tarangire and Ngorongoro). Packed lunch is included during this tour. The tour ends in Arusha town at around 1700hrs.

##### **Tarangire National Park**

0800hrs Depart from Arusha town to Tarangire National Park. At 2,600km<sup>2</sup>, Tarangire is far from being the biggest of the Tanzanian parks, but its unrivalled landscape of open plains, dotted with thousands of baobabs, is unforgettable. About 120kms south of Arusha. Tarangire is known for its tree-climbing lions and for its very big herds of buffalo. This is one of Africa's little-known gems and should be on the itinerary of all lovers of wilderness and solitude. The game numbers are staggering: 30,000 zebra, 25,000 wildebeest, 5,000 buffalo, 3,000 elephant, 2,500 Maasai giraffe and over 1,000 fringe-eared oryx (gemsbok). Predators include lion, cheetah and leopard and birders will want to look out for the endemic ashy starling, rufous-tailed weaver and black-collared lovebird. Packed lunch is included during this tour. The tour ends in Arusha town at around 1700hrs.

**The Maasai Camping (Mobile Standard Camping) 6nights/ 7days  
Manyara, Serengeti & Ngorongoro**

Day 1 The tour starts with lunch in Arusha town at 1230hrs. 1400hrs, drive to Lake Manyara. Dinner and overnight at Kirurumu Manyara Lodge

Day 2 Breakfast at the lodge, followed by a morning game drive in Lake Manyara National Park whose inhabitants include hippos, monkeys, tree climbing lions, flamingos and other varieties of birdlife. Lunch at the lodge. After lunch, drive back to Serengeti National Park. Dinner and overnight at the mobile camp

D 3+4 Spend two full days of game viewing in the Serengeti National Park. Meals and overnight at the camp

Day 5 Drive to Ngorongoro Conservation Area via Olduvai Gorge, the site of Louis and Mary Leakey's renowned archaeological discoveries. Their findings include some of the man's earliest known ancestral remains. Proceed driving to Ngorongoro Conservation Area. Lunch at Ngorongoro Standard Camp. Afternoon at leisure. Dinner and overnight at Ngorongoro Standard Camp or similar

Day 6 Today you will descend 2000 feet (Over 600 meters) to the floor of the crater for a half day crater tour. Explore the forest areas that are inhabited by monkeys and elephants, the lake area, where you may see the flamingos and the open savannah where the lions hunt for food. Picnic lunches will be served in the crater. Dinner and overnight at Ngorongoro Standard Camp or similar

Day 7 After breakfast return to Arusha. Lunch at Forest Hill Carnival Hotel.

### **The Eyasi Camping (Standard Camping) 10nights/ 11days** **Tarangire, Manyara, Lake Eyasi, Serengeti & Ngorongoro**

- Day 1 The tour starts with lunch in Arusha town at 1230hrs. 1330hrs, drive to Tarangire National Park. Enjoy an evening game drive in Tarangire National Park. Dinner and overnight at the camp
- Day 2 Morning and afternoon game drives in the Tarangire National Park. Lesser kudu, eland, lion and gerenuk can be found in this beautiful park, noted for its multitude of baobab trees and its tree-climbing lions. Dinner and overnight at the camp
- Day 3 After breakfast drive to Lake Manyara. Lunch at Kirurumu Manyara Lodge, followed by an afternoon game drive in Lake Manyara National Park whose inhabitants include hippos, monkeys, tree climbing lions, flamingos and other varieties of birdlife. Afternoon game drive in the Lake Manyara National Park. Dinner and overnight at Kirurumu Manyara Lodge
- Day 4 Collect picnic lunches and drive to Lake Eyasi, which is a mildly alkaline lake about 50km in length. The meadows along the shores of the lake are home to leopards, hippos, various monkeys and birds. Lake Eyasi offers excellent views of the Rift Valley escarpment and is an ideal destination for relaxing and bird-watching. Dinner and overnight at the camp
- Day 5 Depart for some Cultural visits in the area. Among other places, you will visit the Datoga pastoralists and members of the Hadzabe tribe. The Hadzabe are one of two remaining hunter-gatherer tribes in Tanzania. There are approximately 1500 families left in this tribe. Lunch will be served at the camp. Late in the afternoon, drive to Karatu. Dinner and overnight at Bougainvillea or Country Lodge
- Day 6 Depart to Serengeti National Park with picnic lunches. Enjoy an afternoon game drive in the endless plains of the Serengeti for a chance to see the great herds of wildebeest, zebras and gazelles or a pride of lions lounging in the shade. Dinner and overnight under tents in the Serengeti

D 7+8 Spend two full days of game viewing in the Serengeti National Park. Meals and overnight under tents

Day 9 Drive to Ngorongoro Conservation Area via Olduvai Gorge, the site of Louis and Mary Leakey's renowned archaeological discoveries. Their findings include some of the man's earliest known ancestral remains. Proceed driving to Ngorongoro Conservation Area. Lunch at Ngorongoro Standard Camp. Afternoon at leisure. Dinner and overnight at Ngorongoro Standard Camp

Day 10 Today you will descend 2000 feet (Over 600 meters) to the floor of the crater for a day tour. Explore the forest areas that are inhabited by monkeys and elephants, the lake area, where you may see the flamingos and the open savannah where the lions hunt for food. Picnic lunches will be served in the crater. Dinner and overnight at Ngorongoro Standard Camp or similar

Day 11 After breakfast return to Arusha. Lunch at Forest Hill Carnival Hotel. **End of our services**

**4 nights/5 days**

**Ruaha National Park/ Mikumi National Park**

Day 1 After breakfast, drive to Iringa town. Stop at a restaurant for lunch, and then proceed driving to Iringa town for dinner and overnight at Iringa Hotel or similar

Day 2 After breakfast drive to Ruaha National Park, which is famous for its rare sable antelope, roan antelope, and big herds of elephants. The park represents a transition zone where eastern and southern African flora and fauna overlap. Although Ruaha is one of the largest parks in Africa, it is comparatively unknown and, due to its remoteness, remains unspoiled. Lunch at the lodge followed by an afternoon game drive. Ruaha River Lodge is the only lodge in the reserve and is built on a rocky ridge with spectacular views of the Great Ruaha River. Dinner and overnight at Ruaha River Lodge

Day 3 Enjoy a full day game drive in the park. Nearly 500 bird species have been sighted within the park. The river area features large numbers of hippo and crocodile and attracts lion, leopard, hunting dog, waterbuck, impala, giraffe, warthog and eland. Grants gazelle, ostrich and cheetah may be seen on the plains. Meals and overnight at Ruaha River Lodge

Day 4 After breakfast drive to Kitonga Inn Lodge for lunch and proceed to Mikumi National Park for dinner and overnight at Vuma Hill Tented Lodge or similar

Day 5 After breakfast, enjoy another game drive in Mikumi National Park, which is well known for its population of elephants, giraffes, buffaloes, zebras, elands, greater Kudu, wildebeest, roan and sable antelope. Predators include tree-climbing lions, leopards, wild hunting dogs and black-backed jackal. You may also see crocodiles, monitor lizards, yellow baboons and hippos. Return to the camp for lunch and then drive back to Dar es Salaam. Drop off in the city centre.

**End of our services.**

**3 nights/4 days Selous Game Reserve (By Road)**

The vast majority of Tanzania’s elephant herds live in one remote stretch of safari wilderness – the Selous Game Reserve. A feature of this safari is the opportunity to participate in classic style game drives as well as boat and walking safaris.

Day 1 Depart from Dar es Salaam city centre by 4x4 safari vehicle to the Selous Game Reserve. Enjoy a late lunch at the Rufiji River Camp. Embark on an afternoon game drive in the reserve, and then return to Rufiji River Camp for dinner and overnight

Day 2 Enjoy a full day game viewing in the reserve. Participate in some classic – style game drives - exploring the bush in 4 x 4 vehicles. Waterbuck, southern reed buck and bushbuck are common in the Selous. Rare sable antelope, lion and greater kudu also frequent this area. Meals and overnight at Rufiji River Camp

Day 3 After breakfast, accompany an armed ranger on a waking safari in the reserve. The sights and sounds (and smells) of a walking safari are a special treat that will live long in your memory. The thrill of creeping up to animals to “shoot” them with your camera is a great experience. In the afternoon, enjoy a boat safari where you will explore the different channels and lakes of the Rufiji River System, surrounded by hippos and crocodiles. A large variety of herons, storks, ducks, stilts, and other water birds may be seen. And you also see land mammals, such as giraffe and elephants. Meals and overnight at Rufiji River Camp

Day 4 Enjoy a morning game drive in the Selous Game Reserve. Early lunch at the camp, followed by departure transfer to Dar es Salaam. Drop off in the city centre. **End of our services**

**3 nights/4 days Selous Game Reserve (By Air)**

The vast majority of Tanzania’s elephant herds live in one remote stretch of safari wilderness – the Selous Game Reserve. A feature of this safari is the opportunity to participate in classic style game drives as well as boat and walking safaris. Transportation from Dar es Salaam to Selous Game Reserve and back is by airplane. Thus, there is less travel time than some of the other safaris.

Day 1 Pick up from Dar es Salaam city center and transfer to Dar es Salaam Airport for departure on a scheduled flight to Selous Game Reserve. On arrival, you will be met by Rufiji River Camp’s representative and transferred to the Rufiji River Camp for lunch. This evening, you will have the opportunity to participate in a game drive in the Selous. Dinner and overnight at Rufiji River Camp

Day 2 Enjoy a full day game viewing in the reserve. Participate in some classic – style game drives - exploring the bush in 4 x 4 vehicles. Waterbuck, southern reed buck and bushbuck are common in the Selous. Rare sable antelope, lion and greater kudu also frequent this area. Meals and overnight at Rufiji River Camp

## GENERAL TERMS & CONDITIONS

### 1. Government Taxes and Levies:

The rates above are inclusive of current levies & taxes as of today, however should there be any new statutory taxes introduced and/or increase of any current levies by Government/statutory bodies the same shall be passed on to you

### 2. Ngorongoro Entry Fee:

Ngorongoro Entry Fees are based on current tariff, should NGORONGORO increase the entry fees the same will be passed on to you.

### 3. Rooming Policy with Serena & Sopa Lodges:

Serena Hotels will confirm up to a maximum of seven singles per group at single room rate as contract rate. Any additional single rooms will be charged at double room contract rate.

### 4. Rooming Policy with Tanganyika Wilderness Camps (TWC):

The Single room rate is applicable for the first 3 rooms per booking. Double rate for the rest of the single rooms.

### 5. Rooming Policy with TNS Hospitality:

**(Lake Ndutu Luxury Tented Lodge, Ngorongoro Kuhama Camp & Serengeti Kuhama Camp)**

The Single room rate is applicable for the first 3 rooms per booking. Double rate for the rest of the single rooms.

### 6. Luggage space:

Soft-sided luggage or duffels are preferable to hard luggage for storage on safari vehicles within East Africa. Large

suitcases of dimensions greater than 24"x 17"x 7" are impossible to store in vehicles and on aircraft and should not be used. (Baggage and personal effects are at owner's risk throughout the tour and baggage insurance for members is strongly advised).

**7. Re-routing of Itineraries due to limited space availability:**

There may be some departures operated on a re-routed version depending on the status given, but reflecting same experience and number of game drives.

**8. Seasonal variations:**

Some bookings might straddle between two seasons making the above seasonal quotations on accommodation NOT APPLICABLE. In such cases, supplements / reductions will be applicable for such bookings.

**9. Scheduled Flight Fares and Baggage Allowance:**

Scheduled flight fares are current and subject to change. The proposed airline may not be available at the time of booking. You will be informed of the changes on the fares and the airline available for a particular booking. Regional Air luggage allowance is strictly 20 kilos in soft bags per person (inclusive of hand luggage)

**10. Accommodation rates for children sharing with adults:**

Child sharing rate is based on the general child policy of the accommodations. For any specific combination of child sharing with adults/children, we kindly ask you to get a quote from us depending on the child age and rooming arrangement.

**Children Policy:** (not applicable to Camping Itineraries)

Children between the age of 3 and 12years	Pays 60% of the adult rate if sharing a room with two adults
	Pays 80% of the adult rate if sharing a room with another child
	Pays 100% of the adult rates if sharing a room with one adult
	No discount on Holiday and other supplements

**11. Payment Policy**

A deposit of 50% is required at the time of booking. The balance is due 45 days before commencement of the tour program. If the reservation is made within 45 days of departure the whole amount must be paid at the time of confirmation.

**12. Cancellation Policy**

All cancellations must be received in writing. As all suppliers charge cancellation fees, they are in turn passed on to us. Reservations that are cancelled, reduced in length of stay or reduced in number of occupancy are subject to cancellation and no-show fees. Following is the scale for cancellation charges:

- No cancellation charge if cancelled 61 days prior to arrival.
- 35% of booking value if cancelled between 60-44 days prior to arrival
- 50% of booking value if cancelled between 43-36 days prior to arrival
- 75% of booking value if cancelled between 35-21 days prior to arrival
- 100% of booking value if cancelled 21 days prior to arrival
